Thanks to a number of dedicated members we managed to survive another year. Inasmuch as I consider the Guild semi-active, we fulfilled our annual activities plus some.

As you know it is difficult to recruit new members, but we have a few young women who joined us this year. We would like to thank them for their involvement.

Sunday School is our primary concern, to give our full support financially and physically. Hopefully in 1997 there will be more of a commitment from parents to bring their children to Sunday School.

Due to a lack of leadership we have to work twice as hard to keep things together. And, of course, we are here to assist the Parish Council in all their endeavors.

I would like to thank all the women in the Guild for their full support, and to those who always help us along the way. Most of all, we thank you, the people, for supporting our activities.

The Women's Guild is presenting Parish Council with a check for \$3,615.00.

Respectfully submitted,
