## 1999 AUDITING COMMITTEE REPORT

The Auditing Committee met with the Parish Council Treasurer and was presented with a detailed Auditing Package, the checking account statements, and the money market account records for the calendar year 1998. The package was extremely well prepared and complete.

The Auditing Committee reviewed the package and compared it with the Checking account and Money Market account statements. The Auditing package numbers balanced with the account statements. The auditing committee hereby verifies that the accounts are in order with the bank statements presented.

The Auditing Committee commends the Treasurer, Mr. Garry Abezethian for the outstanding job he has done this year in automating the financial record keeping of the church and making the auditing committee's job easier to complete.

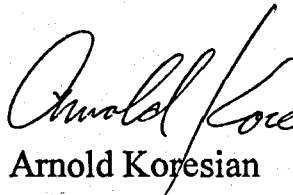

The Auditing Committee was also presented with the records of the Women's Guild and Choir. These were also reviewed and found to be in order.

We also thank Alice George and Helen Babikian for the excellent job they did with the accounts of the Women's Guild and Choir.

Respectively submitted,
