Organization Report
A.C.Y.O.A Seniors for 1981

In Retrospect, most of our efforts were concentrated on Sports Weekend 1981 of which our Chapter along with Evanston Chapter were co-host for.

Our goals were to build up capital for expenses that would occur as the year went on. After which the net profit would be split in half to each Chapter.

In April of 1981, our Chapter held the "A.C.Y.O.A Day Dinner" which profited approx. \$590.00. Of course this capital was used as "our" share of any down payment costs and various preliminary expenses prior to Sports Weekend.

At the conclusion of Sports Weekend our Chapters net profit was \$3,000.00. This sum in addition to our checking account balance of \$1,249.00 totaled \$4,250.00. Of which 40% is forwarded to St. Gregory's Armenian Church; or otherwise \$1,700.00.

Respectfully submitted,

John Pallen
