Mr. Jack Antreassian
Executive Director, Diocese of the Armenian Church
630 Second Avenue
New York, N.Y.

Dear Jack:

Some time ago the Primate returned the enclosed financial report because the balances on hand at the beginning and at the end of 1972 were not entered.

The outgoing and the present treasurers put their heads together and came up with the figures which represent the balances required by the Diocesan authorities.

As of March 14, our new Parish Council chairman Jon Najarian was not receiving from the diocesan office directives meant for him. I hope by this time you are caught up.

I know that you expect work on the parish level to make corrections and additions on the mailing lists you submitted a couple of months ago. It is the kind of work I enjoy doing even though it is time consuming. The reason I have not embarked upon doing it so far is that my time is exhausted by doing mechanical things and also by traveling too frequently.

This morning we got rid of our pet cat which was presented to us as a male kitten. It turned out to be a female. If that poor animal did not curse us before being destroyed by the vet, perhaps now I can start thinking on timesaving schemes.

With best regards,

yours sincerely
