Parish Council Chairman's
Report

The Secretary of the parish Council will present a detailed report. I am going to give you some reflections & prognostications of our activities.

First of all, the organizations affiliated with our church are to be commended for the splendid work that they have done. This includes the women's Guild, the choir, the Sunday school, the youth group & the Armenian school.

The women's Guild will need further strengthening. A membership drive & the injection of new & young blood in that organization is essential.

The choir has similarly to be strengthened by encouragement of the youth to join & attend it & the adults to participate in it.

Our most important task is to have our budget balanced. We don't have one. As you will see from the treasurer's report we expect to have a \$4000.00 deficit for the coming year. To close this gap, every member of the parish has to contribute towards this goal. Otherwise we will have to dip into our savings which could not last for long.

Finally, I would like to thank the rest of the parish council members, the organizations affiliated with the church & the members of the various committees for all the work they put in to keep this parish going.

Respectfully,
Nubar K. Astarjian, MD
