

Our church enrollment is as follows: 4 in Kindergarten, age range - 3-6; 6 in Intermediate, age range - 8-11; 7 in Senior, age range - 12-15 - total - 17 students.

For Easter, we made baskets filled with "goodies" and presented them to the children. To emphasize the meaning of Lent and Easter, three movies were presented (1 each week) during Lent. It was held one night during the week and was not to last longer than 1 hour. The response was good. Students enjoyed being together and it enabled them to be more aware of the meaning of Lent.

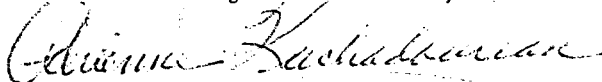

In October we had our annual Halloween Party. Attendance was poor. The decorations were beautifully <sup>done</sup> and plenty of good food. It was appreciated by the few who did attend, but more should have been there to make the party worth having.

The Christmas program chosen was Christmas Customs Around the World. All our children participated. Following the program was a light Sunday meal and Santa's visit and presentation of gifts to the children. Sunday School finances the programs from monies collected each Sunday from offering. The expenses are mostly for food, supplies and gifts. This year, more than in the past, we have had to take out more money from the bank account for our expenses and consequently we are getting low in funds.

Miss Nancy Basmajian from CRE will visit our School in February. She will visit the classrooms, talk with the teachers and hopefully offer some suggestions to help improve the our church school.

Thank-you parents and relatives for all your support. A special thank-you to the food committee and above all the teachers who are dedicated to bringing God's love and light to our children.

Respectfully submitted,

Adrienne Kachadourian  
Director
