St. Gregory's Sunday School

This past September we had the graduation of three students of the senior class, Anise Kachadourian, Haig Dekmejian and Gerry Kelejian.

Anise Kachadourian along with Linda Misakyan are currently teaching our only class consisting of eight students. They are taught about the parables of Jesus, bible stories, Saints and Armenian feast days.

We hope to accomplish the better understanding of our badarak by attending servises at different times.

Respectfully,
A. Kachadourian
