

Chairmans Report for 1990

St Gregorys has had a year in whithh there has been little change. wWe have had 8 badaraks since Feb 1990 and parish council has hel d 10 meetings thruout the year .We have applied a maintenance program for our physical plant. The church roof was repaired and allfurnaces in the church and hall were repaired and checked for operation. The Baptismal Font was repaired and is again usable. In November, we had professional cleaners come in and clean the church and hall from top to bottom. This project was long overdue.

In June 1990, the parish gave a dinner honoring Fr. Mesrop Semerjian on the 50th anniversary of his ordination to the Priethood. Father Mesrop was well deserving of the honor as he has served our community well during the past years. In August, we had our annual picnic and we had a good turnout for the event. As parish council chairman, i encourage all our parishoners to seek out all the Armenians in the area and encourage themto become apart of our family.
