

To : Primate

From: Father Garabed

*Fr. Garabed.*

I have received a telephone call from Dr. Rejebian, Parish Council Chairman of the Saint Gregory Church of Binghampton today 8-19-93 and we cleared up some of the information that was missing from their report on the annual parish assembly. This is being sent along presently, therefore I believe it is in order to approve the election of the parish council elections held in their parish.
