St. Gregory Armenian Church Parish Council Chairman's Report 1995

During the past year, the Parish Council held regular meetings with a full agenda.

Divine Liturgy has been celebrated monthly by visiting clergy and I would like to thank our Deacon Hagop Injajikian for arranging visits, making reservations etc. There has been a real problem with finding people to entertain priests and do coffee hours etc.

There are some repairs on the exterior of the building and interior painting which need to be done on the building.

In February of 1995, a letter was sent by the Parish Council to each parishioner asking for pledges and a pledge campaign followed during which telephone or personal contact was made with all parishioners in a position to pledge. Although our pledge goal was reached, additional monies which are realized through plate donations, affairs, etc. were much less than anticipated and we ended up with a substantial deficit.

I would like to thank each member of the Parish Council for their dedication and hard work during the past year and to thank Kevork Papazian for always being willing to cook when dinners are put on.

Respectfully submitted,
