COMMENTS:

The Loos is published once a month except for the months of July and August for a total of 10 publications/year. No one but the editors of The Loos publication know how time-consuming and costly it is to put together each and every month. Therefore we tried to keep each issue of The Loos to eight pages each month.

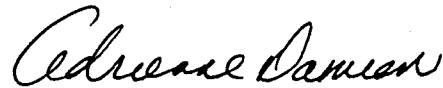

Of our ten publications, 6 of the publications have been 8 pages in length (from time to time we have an additional insert added) and the other 4 publications have been approximately 12 pages. Of course, printing costs have increased due to the increase in the number of pages of the publication. Postage costs changed several times in 1998 for bulk mail- and therefore has increased our mailing costs because of the price structure and weight costs. Your donations are appreciated and are needed to support this publication.

We try to make each an every issue as interesting, informative and educational as possible.

This year I have incorporated pictures that I have taken of church events or have obtained from our church members and scanned them in. Hopefully you have enjoyed it.

I want to take this time to thank all those who have submitted articles and financially supported the Looy's issues during the year. Special thanks the following individuals for their continued support in transporting the Looy's to and from the printer, collating, stapling, labeling and mailing: Eric Pare, Sonia Ohanian, and Rose and Emil Mosey.

Respectfully submitted,

Adrienne Damian and Paula Ohanian Pare

Editors for The Looy's
