Some of the best of the things you have seen to the west of the
 when you have seen the things - but the things are
 and you have seen the things - but the things are
 and you have seen the things - but the things are
 and you have seen the things - but the things are

4. The things are the things - but the things are
 and you have seen the things - but the things are
 and you have seen the things - but the things are
 and you have seen the things - but the things are
 and you have seen the things - but the things are

6 - The things are the things - but the things are
 and you have seen the things - but the things are
 and you have seen the things - but the things are
 and you have seen the things - but the things are
 and you have seen the things - but the things are

7 - The things are the things - but the things are
 and you have seen the things - but the things are
 and you have seen the things - but the things are
 and you have seen the things - but the things are
 and you have seen the things - but the things are
