

ARMENIAN CHURCH OF OUR SAVIOUR
WORCESTER, MASSACHUSETTS

A revised statement of THE OBJECTIVE OF A PARISH PROGRAM
as discussed October 4, 1968:

THE OBJECTIVE OF A PARISH PROGRAM

TO PROVIDE the opportunity for all youth and adults of our
parish community to participate in ^{athletic?} cultural, educational,
and religious programs which can satisfy the needs for
individual and family growth, for the strengthening of the
parish, and for the enrichment of the American-Armenian,
as well as the total, community;

TO OFFER that meaning and direction which continues from our
particular heritage and expands our contemporary culture
to all our youth and adults in order that new meaning and
direction be given to our future individual, family, parish,
and community life.
