Dear Parishioners,

To familiarize you with the candidates for the upcoming Parish Council election this Sunday, we enclose a brief description of the current candidates. Due to the inclement weather, we were not able to host a fellowship to meet the candidates this year. We hope that the enclosed will assist you in making your decisions.

Also, we thank each of the candidates for their interest and willingness to serve their Church and Community. We continue to encourage further nominations from the Assembly floor.

May the Lord bless all who labor for His glory.
