ST. JAMES ARMENIAN SCHOOL - ANNUAL REPORT 1986

The St. James Armenian School, which meets every Friday afternoon from 4:00 to 6:15 PM during the months of September through June, is once again proud to report that student enrollment has gone up from last year's enrollment of 21 students to this year's enrollment of 27 students.

The members of the Executive Board of the St. James Armenian School are:

| | |
|-----------------------|----------------------|
| Fr. Karekin Kasparian | President |
| Anahid Chookhachian | Principal |
| Mary Sevulyan | Chairman |
| Angel Ebrahime | Treasurer |
| Gacia Mangassarian | Recording Secretary. |

The executive board has had a total of 3 meetings thus far.

The St. James Armenian School curriculum includes Armenian Language, History, Culture, Dance and Music. This year we have five grade levels:

| <u>Grade</u> | <u>Teacher</u> |
|--------------|-------------------|
| Kindergarten | Eliz Bas |
| First | Aida Pisani |
| Third | Victoria Tutak |
| Fourth | Rita Kurkjian |
| Fifth | Margrit Cetinkaya |

This year's social events include a Halloween Party, which was held on October 31, and a Christmas Party, which was held on December 19. One fund raising event has taken place thus far - a Christmas Bake & Craft Sale, held on December 7. A Lenten Dinner is in the process of being planned.

There are many parents I would like to thank for all their efforts throughout the school year. However, Angel Ebrahime, Noem Poulatian and Linda Varadian deserve special thanks, for without their dependable help and dedication, year after year, we would not be where we are today.

St. James Armenian School wishes to take this opportunity properly to acknowledge Der Hayr, the Parish Council and all the Teachers and staff for all their continued support and efforts in making this year a successful one. Special thanks to our principal for her tireless efforts in directing the work of the school.

Respectfully submitted,

Mary Sevulyan
Chairman

Gacia Mangassarian
