

2/19/80

Dear Mr. Kupelian:

Der Carnig told me you had requested that the Minutes of our Parish Assembly held on January 27 be sent to you. It should be included with our report.

Sorry, did not know it was to be included -- maybe it should be mentioned in the instructions so that others will not make the same mistake.

Hope all goes well with you.

Sincerely,

*Bro P. Padavan*
