REV. FR. DIRAN PAPAŽIAN, Pastor

March 6, 1986

Mr. Michael Kermian  
Armenian Diocese  
630 Second Avenue  
New York, NY 10016

Dear Michael:

Please excuse the delay in getting the reports and information to you from the Holy Cross Church, but I just recently got back from vacation and trying to get the things together and all the required signatures is a "joke".

I have sent the following per your letter:

1. Invitation to the meeting was sent to all members via mail on January 6. Also the notice was put in our weekly Sunday bulletin on a weekly basis.
2. The Agenda of the meeting is included in our booklet on page 3.
3. Pastor's report, Parish Council report and committee reports are all included in the booklet and duly signed.
4. All financial reports are included in our booklet and all dues to the Diocese are paid through February 1986 (we just received the March bill and this payment will be coming to you next week).
5. Copy of sample ballot listing names of candidates and number of votes received. Method of balloting was by secret ballot. The ballot is duly signed by the Nominating Committee.
6. Minutes of the Parish Assembly signed by Assembly officers.
7. The covering letter by our pastor was already sent to the primate several weeks ago.

If you need any further information please let me know.

Sincerely,

Ann Dadaian  
Secretary/Treasurer
