Annual Affairs: We plan to have a dinner and hantes this spring and  
expect it to be an annual affair. A short hantes was given  
after church services one Sunday in May of 1964. It was  
enthusiastically received by parents and friends.

The Knights of Vartan invited us to perform for them  
at their annual Christmas parties in December 1966 and  
December 1967. Even though these programs have been quite  
simple, both the children and the audience have enjoyed them.

We foresee for the academic year 1968-1969, a budget of \$1500  
to cover the expenses of teachers, school supplies and teaching  
aids. For the remainder of this year, we will need from \$200-\$250  
to cover expenses of school supplies, teaching aids, preparation for  
the annual hantes and weekly refreshments.
