

ARMENIAN LANGUAGE SCHOOL REPORT - 1973

Once again, St. Thomas Armenian School has been a source of gratification to everyone who is interested in the continuity of our language and heritage. Our enrollment increased this year from 55 students to 70 students. We are also happy to announce that we have added a 5th grade and a new teacher, Miss Seta Nazarian.

The success of our school lays on the doorstep of our directress Miss Sylva der Stepanian and our dedicated faculty. Miss der Stepanian is again saving us \$450.00 a year by refusing to accept a salary. Many thanks to everyone including the Mother's Committee for their time and effort.
