HOLY TRINITY ARMENIAN APOSTOLIC CHURCH PASTOR'S ANNUAL REPORT for 1977 REVEREND FATHER MAMPRE KOUZOUIAN

Dear Parishioners:

By the grace of God and with the cooperation of the members of our Church, we have completed a year of success and progress. We give thanks to Almighty God for granting us health and courage to labor in his vineyard for the salvation of our souls and for the edification of His Church. Whatever has been accomplished, was done with your cooperation, dedication and encouragement, for without you it was difficult to be where we are now. I assumed my pastoral duties on January 3, 1977. Following are some of the highlights of my activities as your pastor for the year 1977.

I. CHURCH SERVICES

Our community life evolves around the Church. As parishioners of the Holy Trinity Armenian Apostolic Church we receive our spiritual nourishment and sustenance from our Divine Liturgy, Services, and sacraments on Sunday mornings. With the cooperation of the Reverend Fathers of our Church, the Altar servers, and choir members, we worked diligently to make our Services more inspiring to the faithful, with more rehearsals and better organization. During the past year I have trained 10 Altar Servers, and Acolytes to serve our church during the Badarak.

On June 12th, His Eminence, The Primate, ordained these 10 Acolytes as "Tbirs". During the summer season, 4 of them were trained to sing the deacon's part during the Divine Liturgy. Next to the senior deacons, we are proud to see and hear these young boys serving at the Altar.

Our Choir, with all their dedication, needs to be strengthened with additional members. As their pastor, I appreciate their continued service and devotion to our Church.

Each Sunday during the past year, theDivine Liturgy was celebrated in our Church. Sermons were deliverd in both Armenian and English. Both during Christmas and Easter Eves, I conducted Services for the children of our community and administered Holy Communion to them. During the Lenten Season, with St. James Church of Watertown, we jointly conducted Services on Wednesdays and Fridays. During Holy Week special services were conducted according to the Rites and Rituals of our Church. On some High Holidays that fell during the week, the Livine Liturgy was celebrated followed with a luncheon-meeting by the Senior Ladies Guild.

On May 22nd, I celebrated the Divine Liturgy and preached to the Armenian Community of Lynn-Salem-Peabody.

On July 31st, the Armenian Churches of New England had a joint celebration of the Divine Liturgy at the Cathedral of the Pines in New Hampshire, which was followed by a picnic.

On September 11th, on the Feast Day of the Exaltation of the HOly Cross, Antasdan and The Blessing of Madagh Services were conducted during our annual picnic.

On November 20th, a Family Thanksgiving Service was conducted in our Church with the participation of the faithful.

On December 24th, Christmas Eve Services were also conducted.

To make the Divine Liturgy more meaningful to the faithful, we furnished our Church with new Divine Liturgy books and urged the faithful to participate in the Services by singing with the Choir or simply reading the prayers in unison during the Lenten Season.

II. GUEST CLERGY

On June 12th, His Eminence, The Primate, celebrated the Divine Liturgy and delivered the Sermon.

On Saturday, June 11th, His Eminence ordained 10 Acolytes and Altar servers for our Church.

- 6 -

On July 17th, Very Reverend Father Diran Gureghian of Moscow, was our guest celebrant. On this occasion, the Reverend Father Arten Ashjian took part in the Services.

- 7 -

On August 21st, The Reverend Father Mesrob Benlian of Sophia, Bulgaria, was our guest celebrant.

On November 20th, His Grace, Archbishop Tiran Nersoyan preached in our Church during the Family Thanksgiving Service.

On December 8th, His Beatitude, Archbishop Yeghishe Derderian, Armenian Patriarch of Jerusalem and Archbishop Shahe Ajemian paid a visit to Boston and met with the Armenian clergy of New England and had dinner with some of the members of the Armenian community of Boston.

III. SACRAMENTS

During the past year, the 'following sacraments and services were conducted in our Church.

26 Baptisms 13 Weddings 41 Funerals

IV. VISITATIONS

I firmly believe in the manifold blessings of the pastoral visitations, therefore, during the year I made 390 visitations with our parishioners. These visitations include homes of our parishioners, hospital calls, offices of our parishioners, funeral homes, Armenian Nursing Home, and non-Armenian Nursing Homes.

I am grateful to those parishioners who made their homes available and invited friends and neighbors to meet their new pastor.

During Christmas and Easter seasons I have also blessed the homes of some parish= ioners according to the tradition of the Armenian Church.

V. MEETINGS

The strength of our community depends greatly on the vitality of our Church affiliated organizations. During the year I have taken part, presided over and counseled 230 parish affiliated meeting, including the Parish Council, the Senior Women's Guild, the Young Women's Auxiliary, Sunday School, Armenian School, Choir, Trinity Men's Union, A.C.Y.O.A. Seniors and Juniors, Chelsea Women's Auxiliary, Diocesan Delegates, Joint Executive Committees of our Church, Building Maintenance Committee, Membership Committee, Lectures Committee, Tribute Dinner Committee, Bazaar Committee, and Nominating Committee, and Trinity Young Couples Club.

In addition to the above meetings, I have conducted marriage and baptism counselings with people who were preparing for marriage or baptism.

As a member of the Diocesan Council, I have participated once a month at the Diocesan Council meetings and twice at its Unity Committee Meetings. Once a month, the New England Armenian clergy have met for meetings in different parishes of New England.

From May 3-7, I have participated at the Annual Diocesan Clergy meeting and Diocesan Assembly in Providence, Rhode Island.

VI. EDUCATIONAL

From the religious and ethnic-cultural point of view, both our Sunday School and Armenian School are important for the future of our Church and people. I have visited our schools and had meetings with the teachers, superintendents and PTA planning for the strengthening of our schools. I feel that we can more than double the enrollment in our schools if only more parishioners become involved and bring their children.

In April, the three Reverend clergy of our Church and Dr. Krikor Maksoudian planned a series of lectures, "Introducing the Armenian Church." The committee, chaired by Donald Tellalian, worked hard to organize and publicize a year's program of lectures. We are glad that outstanding individuals in our community have accepted to deliver these lectures. It is more than encouraging to see so many parishioners attending the lecture series. We have utilized the monthly publication of our parish, "Dajar," to educate our community and make this monthly paper interesting.

On different occasions, I have given lectures at our Church affiliated organizations monthly meetings and gatherings. I have also been invited to lecture at different organizatinal meetings and functions.

<u>PRO-MUSICA</u> - The Pro-Musica Committee mainly composed of A.C.Y.O.A. members, had undertaken two concerts which were held in our Church. In May the well-known organist Berj Zamkochian was our guest performer. In December, the Pro-Musica Committee, in cooperation with the Lectures Committee, sponsored the Christmas Concert of Sacred Music under the direction of Very Reverend Father Oshagan Minassian, and the Erevan Choral Society. On both occasions, the Church was filled to capacity. Following the concerts, receptions were held in the Cultural Hall honoring the artists.

On behalf of our parish, we extend our appreciation to the committee members and the artists.

<u>PUBLIC RELATIONS</u> - It is important for our community to share :its programme, activities and the happenings in our parish with our fellow-Armenians and non-Armenians in the United States. To do this, we need a strong publicity committee. I am glad that one of our parishioners has volunteered her services to do this work for us. I also appreciate all those who are doing publicity work for their respective organizations within our Church.

On January 8th, I was invited by the Armenian Radio Hour to give a Christmas message to our community in Greater Boston.

On December 25th, I was interviewed on Caannel 7 about the celebration of Christmas in the Armenian Church and our national customs on this occasion.

VII. CHURCH OFFICE

The Church office is open every day from 9:30 - 4:00 P.M. Besides the pastor, Reverend Father Papken Maksoudian, Pastor Emeritus, and Mrs. Rose Mamishian, Secretary, take care of the daily office work. Until recently we also enjoyed the services of Deacon Peter Arakelian. On many occasions, we call upon members of our community to voluntarily assist us in the office routines. We are grateful to all and we thank them on behalf of our community.

Father Papken and I wish to express our deep appreciation to the secretary of our Church, Mrs. Rose Mamishian, for her devotion to our community.

VIII. SOME SUGGESTIONS

I submit the following suggestions and recommendations to our parishioners:

- 1. As I had stated above, our two schools need to be strengthened and the enrollment increased.
- 2. Our A.C.Y.O.A.s should be a vital part of our community and increase in membership. Unfortunately, in both cases, parents have to be more cooperative and bring their sons and daughters to the schools and the the ACYOAs. I think that we can strengthen both groups if only parents would cooperate and make some sacrifice.
- 3. In order to strengthen the Christian education in our community and better organize the ACYOAs, I have requested that we hire a youth and Christian Education Director. I am glad that the Parish Council has adopted this recommendation, and we are now in search of redirector
- in search of aedirector.
- 4. Church attendance It was my intention to increase Church attendance to about 300 faithful in Church every Sunday. Unfortunately, we have not reached this goal. In order to make our Church a worshipping community, I have encouraged the participation of the faithful during the Liturgy.
- 5. The weekly offering envelopes should be used properly by all parishioners who make a pledge for weekly offerings to our church. In this manner, there will be weekly participation, during the Divine Liturgy and will be an additional revenue for our Church.

IX. OUR GUESTS FROM OVERSEAS

During the Tahnksgiving week, upon the request of the Immigration Office in Boston, we gave shelter to 15 compatriots from overseas who had sought refuge in the United States. Members of our Church responded generously to our appeal to provide bedding, clothing, food and medicine for our guests. We are greatly indebted for the generosity and the kind response that we received. Our guests have already moved to various destinations in the United States.

X. APPRECIATION

As your pastor, I would like to take this opportunity of publicly expressing my deep appreciation to the members of the Parish Council, Diocesan Delegates, the Chairmen and members of each church-affiliated organization and to the members of the different committees within our community.

I would also like to express my appreciation to all those who serve in our Church on Sunday mornings during the Divine Liturgy.

Last but not least, my profound gratitude to the Pastor Emeritus and my brother in Christ, Father Papken Maksoudian, for his help in many ways, in my ministry to our Church, and likewise to Very Reverend Father Oshagan Minassian for his help and cooperation.

May God give us the strength and wisdom to work together for His Glory.

Reverend Father Mampre A. Kouzouian Pastor.

DIOCESAN DELEGATES

CHURCH MEMBERSHIP - for 1977 was 614. We had an increase of 87 members. This significant increase was due in no small measure to the dedicated efforts of Robert P. Proodian who was Chairman of our Membership Drive Committee.

HOSPITALITY HOUR

The custom of meeting in Johnson Hall after Sunday services to visit with our Pastor and parishioners continued to be a most worthwhile and enjoyable part of our Sunday program. Each month a different subordinate organization assumed responsibilities for hosting the Hospitality Hour.

PARISH COUNCIL MEETINGS

Continued on a bimonthly basis and this year the Parish Council continued the ______ practice of joint meetings with St. James. Such meetings were held in April and November with each Church hosting one of the meetings. Topics of mutual interest were discussed and both councils agreed that the exchange of ideas was beneficial.

ANNUAL GIVING BANQUET

Was held on October 23rd and a total of over \$30,000 was realized through the generous donations of our parishioners and organizations.

CHRISTMAS EVE SERVICES

Were held again this year and continued to be a most popular event. Well over 300 people attended this year's services.

ANNUAL DIOCESAN ASSEMBLY

Was held in Providence, hosted by Sts. Sahag & Mesrob Parish. (See Diocesan Assembly Report.

ANNUAL PICNIC

Was held on September 11th at the new grounds of Sts. Vartanantz Church in Chelmsford. This was due to the sale of Camp Ararat to Digital Equipment Co. In spite of the fact that this was our first experience at a strange location, the picnic was a tremendous success and the cooperation and assistance given to us by our sister parish in Chelmsford/Lowell was most helpful and appreciated. Gerard³Odabashian & Sarkis Boghosian Jr. are to be complimented for their dedicated efforts as Co-Chairmen.

SCHOLARSHIPS

To St. Nersess were awarded this year to James Kalustian, Diran Zahigian, Jr., Aram Haroutunian, In addition, the Parish Council sponsored 5 ACYOA girls to attend the Sports Week-end Convention in Detroit.

The Ecole Bilingue continued to rent the school facilities of our Cultural Hall which has provided much needed income.

THIS YEAR'S BAZAAR

Was under the expert leadership of Carlene Newell as General Chairperson. All the subordinate Organizations participated in making this year's bazaar one of the most successful in recent years. Many major investments have occured during the year, none the least of which was the installation of iair conditioning system in the Cultural Center. In addition to the capitol expenditure, the Parish Council was required to repave the parking lot, and buy a new generator for the Cultural Hall.

PARISH COUNCIL CHAIRMAN'S COMMENTS

During the past year, Holy Trinity has been fortunate to be the beneficiary of Father Mampre Kouzouian's talents as Pastor. He has worked diligently with Fathers Papken and Oshagen to bring to Holy Trinity a revitalization not only in religious life but in cultural and educational aspects as well. We have seen the implementation of lecture series, cultural programs and above all the involvement of our youth as evidenced by the ordination of ten altar servers in the spring of this past year. We eagerly look forward to a continuation of this type of interest and an even greater involvement by our community.

HOLY TRINITY ARMENIAN CHURCH CULTURAL COMMITTEE MID-YEAR REPORT

Executive Committee:

President Chairman Treasurer Secretary Rev. Father Mampre A. Kouzouian Donald James Tellalian Bruce Haroutunian Alice Nahabedian Dorothy Bozigian Collins Carol Krikorian Gregory Krikorian Charles Nahabedian Tana Onanian Barbara Tellalian Zabelle Zahigian Diran Zahigian

The lecture series "Introduction to the Armenian Church" and the formation of a committee to implement the series was largely inspired by an expressed interest from several quarters within our Church. The series of programs and lectures was selected and composed to augment the knowledge of our parishioners, to compliment the material being presented in Sunday School for the benefit of the parents, and to satisfy curiosity and interest in our Church by the broader Armenian and non-Armenian community.

The success of such an effort is difficult to measure in objective ways, particularly after only four programs. Yet the benefits of these programs may be evaluated on many levels and by a number of criteria:

On the basis of the programs so far presented, the Committee has developed a strong conviction that the programs are indeed providing information and understanding about our Church to those who have been attending.

Such attendance has begun to enhance our sense of community, involvement and identification with our Church.

The level of attendance at the programs so far has not only been sufficient to justify the effort expended, but has exceeded the most optimistic of expectations for such a new endeavor.

By observation, it is possible to realize that the Series is beginning to serve as a catalyst in bringing into Church individuals and families that have not participated recently or at all.

It is our sense that the Series is serving to enhance the image of Holy Trinity Church within the Cambridge and Greater Boston non-Armenian community. And of course this effort is proving to be an opportunity for us all to become better acquainted with the Armenian clergy, Armenian intellectual leaders and with ourselves, and to gain an awareness of the educational and cultural interests and needs of our people.

The Committee for the 1977-1978 Series was formed from parishioners that had expressed serious and enthusiastic interest in the idea, and commitment to its success. Furthermore, the diversity of the Committee insured that many members would also represent and serve as links to other existing Holy Trinity Church organizations such as Parish Council, Sunday School, Couples Club, Armenian School and Women's Auxiliary.

The initial work of establishing subject material, sequence, selection of appropriate speakers and commitment from those speakers, resulted from the extended efforts of Reverend Father Mampre Kouzouian, Reverend Father Papken Maksoudian, Very Reverend Father Oshagan Minassian, and Dr. Krikor Maksoudian.

Success and interest in the program has been so encouraging to date, that the Committee intends to continue with a 1978-1979 Series. Between now and March, individual Committee members will be talking to as many of our parishioners as possible to understand and assess what areas of interest exist for future subject topics. It is also the wish of the Committee to broaden participation on the Committee by including representation of the older teens in our midst.

The Committee from the outset has had a very clear understanding of its priorities and how its energy was to be directed. The Committee has worked well.
