ANNUAL ARMENIAN LANGUAGE SCHOOL REPORT

The Armenian Language School committee for the year 1971 consisted of Dr. James Etmekjian, Mr. Berch Khachadourian, and Dr. Berdj Harabedian. Until the end of May, 1971, regular weekly classes were held at the Trumbull High School with an enrollment of 12 students.

We were unable to re-open the Language School in the Fall, because of the ill health of Der Hayr. Upon his recovery, we hope to continue with the regular classes.

The opening balance on the School account was \$ 104.09. Expenses of \$ 11.10 were used for supplies, and the present balance is \$ 92.99.

Respectfully,

B. Harabedian M.D.
