Annual Sunday School Report

The Sunday School of the Armenian Church of the Holy Ascension has an enrollment of twenty-three students, six teachers and five classes. We have sponsored three coffee hours, the annual Bake Sale held on Palm Sunday and the annual Armenian Christmas Party and Program.

The Sunday School also hosted the annual Faith and Methods Workshop sponsored by the Department of Religious Education in October, 1982. Our facilities as well as lunch was offered to the four parishes which were represented. My sincere thanks to Virginia Kalfaian and Barbara Bousian who prepared the lunch at that time. Closing exercises took place at which time a program was presented and refreshments were served.

Our annual gross income for the year is \$ 1,461.46. Our expenses amounted to \$ 1,084.41, leaving a net income of \$ 377.05. A financial report on a separate sheet is enclosed.

I am happy and proud to present this check in the amount of \$ 500.00 to the Parish Council.

Respectfully submitted,

Rev. Leon Arakelian
