

ARMENIAN CHURCH OF THE HOLY ASCENSION  
CHOIR REPORT - DECEMBER 31, 1983

---

Members of the Choir were present on all Sundays Soorp Badarak was celebrated in our Church. Our meetings and rehearsals were minimum as we did not have a priest for about half of the year. However, with Der Untzag's presence and guidance, we have already begun our re-organization, and we hope we'll be able to serve our Church and our parishioners better in the future.

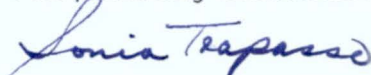

Again, the Choir sponsored one affair during the year. On Palm Sunday, we had a very successful dinner and program following Church Services. Our affair was very special this year, as the Parish Council chose this day to honor Dr. Berdj Harabedian for his many years of dedicated service to our Church. The Choir also had the privilege and pleasure of participating in honoring Dr. Harabedian, who, in turn, presented us with a generous donation to offset the day's dinner expenses.

At this time, we would like to thank all our parishioners for their constant support and encouragement. It really makes us feel great when we hear comments like "the Choir sounds good" after Badarak. Our special thanks also to our Choir Director Chuck Balyan and our Deacons, Fraij Yapoujian and Randy Arakelian.
