Rev. Fr. Parea Metjian, Pastor
Sts. Sahag & Mesrob Armenian Church
630 Clothier Rd.
Wynnewood, PA 19096

Dear Father Parea:

Your 1985 annual report has been approved by H.E. Abp. Torkom Manoogian, as stated in the enclosed letter, despite several serious omissions, which are.

1. The letter to the Primate should have been signed by the Pastor. We are returning the letter for your signature.
2. You had overlook to enclose a sample ballot showing the number of votes received.
3. The parish council report was not signed and it reveals more like a chairman's report.

We trust you will consider this points in preparing your future report and thank you.

Very truly yours,

Michael M. Kermian
Director
