Attention: Mr. Noubar Kapelian

Dear Mr. Kapelian:

Enclosed find hopefully all the information that was omitted when the report was sent last week. Sorry for any inconvenience that was caused.

I also wish to thank you for any consideration that will be given to expediting certification of the newly-elected Parish Council members as quickly as possible. I am going on vacation next week and when you call the office my stand in will be Miss Betty Boyajian and the message can be given to her.

Thanks again.
