ST. SAHAG AND ST. MESROB ARMENIAN APOSTOLIC CHURCH  
PARISH ASSEMBLY MINUTES

FEBRUARY 23, 1992

The Annual Parish Assembly was called to order at 1:00 p.m. by George Mangigian, Parish Council Chairman, and opened with prayer from The Reverend Dr. Patee Metjian, Pastor and President of the Assembly.

There were 81 eligible voters when the meeting began. The number was reduced to 79 when voting took place.

The chairman welcomed those in attendance and then asked for nominations for Assembly Chairman and Secretary. By a voice vote, George Devletian was elected Chairman, and Betty Boyajian, Secretary. The meeting was then turned over to the Assembly Chairman.

Richard Shakarjian was elected Parliamentarian for the meeting.

The Minutes of the 1991 Assembly had been circulated in advance. There were no changes or additions, and the Minutes were approved.

Report of the Nominating Committee. The ballot, as presented, was incomplete. According to the By-Laws, a minimum number of names is required for each position. A motion was made that the composition of the Parish Council be reduced from 13 to 9. The motion was seconded. Discussion followed. The Parliamentarian said it was a valid motion. However, nominations were accepted from the floor to fill the ballot, and action was not taken on the motion.

Additional names for Parish Council were: David Nalbantian, Alicia Dakerian Craig, Ohannes Meguerian and Noubar Igidbashian;

For Diocesan Delegate: Ohannes Meguerian;

For Nominating Committee: Louis Karagulian, Harry Arakelian and Karnig Torossian.

The minimum number of candidates had been obtained for the Auditing Committee.

All candidates present were invited to come forward, and were introduced to the Assembly.

While a revised ballot was being prepared, Der Pree reviewed his report for 1991.

Upon the completion of the Pastor's Report, there was discussion regarding the validity of a ballot if fewer than the required number were marked by an individual for a position. The Parliamentarian stated that such a ballot was in order. However, if an individual marked more than the required number, the ballot would not be counted. To make it official, a motion was made that a person may vote for the number of persons he chooses to vote for up to the maximum allowed. The motion was seconded and, by a show of hands, approved.

Reports of Parish Council and other Church Organizations. Members of the Assembly were invited to ask questions or make comments as reports were reviewed.

A question was raised regarding the "Unity Committee Report" on page 23 of the 1991 Annual Report. Louis Karagulian, Diocesan Delegate, responded that "Unity" is at a standstill because the Diocesan Unity Committee and Prelacy Unity Committee cannot come to an agreement over implementation of the By-Laws for a re-unified Eastern Diocese.

Adoption of the 1992 Budget. It was recommended that the estimated amount for payroll taxes be removed from the \$29,000.00 figure for administration/office, and made a separate line item. This will be done in the actual budget for 1992.

Re: the 1991 Budget. It was explained that monies from several church organizations were not disbursed until calendar year 1992. That is why no income is reported in the actual budget for 1991.

The increased figure for Young Couples Fellowship in 1992 reflects anticipated income from a Rug Sale to take place in the Fall of 1992.

Motion was made to adopt the proposed budget for 1992, in the amount of \$290,600.00, which had been reviewed and accepted at the Pre-Parish Assembly. Seconded and passed.

New Business. Proposal by the Parish Council to the Parish Assembly, (Appendix I), to air condition the Sanctuary.

Simon Koumjian briefly explained that the bids received took into consideration the use of existing equipment and ducts where feasible, and replacing where necessary. Two areas in the Sanctuary would be zoned, as well as the Narthex. The Balcony is not included in the Proposal.

Four (4) bids were requested. Three replied. They ranged from \$43,408.00 to \$74,000.00. The low bid did not include some of the general construction work in the plans. The second bid of \$58,420.00 was recommended.

It was estimated that the air-conditioning in the Sanctuary would be used approximately a total of 75 hours during the 4 summer months, at a cost of \$3.20 per hour. At present rates, this would increase our total electric bill for those four months by about \$250.00.

Members of the Parish Council are in favor of air-conditioning the Sanctuary.

The Proposal was opened for discussion, limited to a maximum of 4 persons opposing the project and 4 in favor of it. The Treasurer explained that the financing of the project would not come from the church's General Fund, but rather through a loan or special fund-raising. Therefore, none of the on-going needs of the church would be affected by the additional expense.

The options on the ballot were discussed, and it was agreed that Options 1 & 2 should be combined, as one, if approved, and have the Parish Council move accordingly, since the price quoted would probably not be valid if it took a length of time to raise the funds. A motion was made and seconded to approve a combined option. The motion carried.

Voting was done by a closed ballot.

While votes were being counted, it was announced that the church now has a Federal I.D. number, which should be used by any individual or organization which has or opens an account in the name of the church. This is in addition to the State I.D. number, which is used for tax-exempt purposes.

A request was made that adequate night lighting be installed at the back entrance to the church driveway. It was agreed that this should be done.

Results of the Air-Conditioning Proposal: Passed - 45 in favor, 20 opposed.

John Eskandarian reported that the Auditing Committee has yet to review the books of the Permanent Endowment Fund. Recommendations for book-keeping procedures have been sent to all sub-organizations. In its report to the Parish Council, the Auditing Committee will propose a new system of record-keeping for Memorial Hall, holding Finley Caterers more accountable. It was not required for the past year, because most of the rentals had been confirmed before a contract was signed with Finley.

Permanent Endowment Fund report (Appendix II) was circulated at the meeting. In response to a question regarding a better return for the money invested, it was explained that only the original principal holdings of approximately \$131,000 could be moved around. It was also noted that with a \$50,000 bequest from the estate of Nigohos Boyadjian, which was received early this year, the PEF holdings are now at \$851,458.39, approximately \$150,000.00 short of its \$1,000,000.00 goal.

## PASTOR'S ANNUAL REPORT 1992

It is a pleasure to submit this annual report to the Parish Assembly as it gives me the opportunity to reflect back on what has been achieved, and to look forward with a new purpose. Briefly, the following are some of the highlights of 1992:

- o Every Sunday the Family of God gathered for worship and the Divine Liturgy. We have a high loyalty among the choir members, deacons and acolytes. Those members who attend, attend regularly, while 45% are irregular.

Following 50+ years of service to our church as organist, Rose Arpajian tendered her retirement and Lilit Avesian was appointed as organist. Lilit assumed her position on January 3rd. Our appreciation is extended to Noubar Karagulian for coaching her.

- o The Sunday Church School registered 92 students of which 8 were new students. The attendance is steady among those who have set Christian Education as a priority. Loyalty among the students and the teaching staff is high.

In addition to classroom instruction, the Sunday School has been active: the Acolytes' Retreat, the Christmas and Easter Communion/Breakfasts, a Mardi Gras Night, a Halloween Party, Project Love and Outreach for Armenia are but a few of its projects.

In my position as Superintendent, I am happy to report growth and progress. My thanks to Carol Keosayian Leszczynski and Robin Kazanjian Williams who have assisted me as co-superintendents. And to my teaching staff, I extend my sincere appreciation for their loyalty and dedication.

Our acolyte, incensor and reader program has been a huge success. Interest, participation and motivation is high. Thanks is extended to Grace Odabashian who coordinates this project.

- o The Armenian School Committee sponsored a 10-week crash course on Armenian/History from October to December. Twelve young adults participated.

Also the annual "Hrashavan" summer week-long educational program took place for youngsters ages 3 to 10 years old. Both myself and Deacon Robert coordinated this program. Thirty-Eight youngsters were registered.

- o Church organizations created an added pulse in our parish, and continued their services to the church and the community.

## SACRAMENTS AND PASTORAL OUTREACH

The Parish Registry has recorded the following sacraments in 1992:

Baptisms: 18; Weddings: 12; Funerals: 5.

- o A total of 46 calls were made to the bereaved and aged, including hospital calls and nursing homes on a regular basis. An additional 22 house blessings were performed during the Christmas and Easter seasons upon requests.
- o Some events which were initiated: Acolyte & ACYOA Jrs. Retreats; Marriage Enrichment Adventure; Lenten Lecture Series; Women's Saints Observance; Hrashavan; Benefactor's Sunday Observance; Avaks' Annual Trip/Vacation; Instructional Badarak, etc.
- o In June, Robert Boyajian joined our parish as our Youth Director. In his capacity, he assisted in training incensors and organized activities to guide our youth (Jrs. & Srs.). He also learned the sacraments of Baptisms, Weddings and Funerals in preparation for ordination.

Following recommendation by the clergy steering committee, Deacon Robert Boyajian will be ordained to the Holy Order of the Priesthood in March of 1993. We wish him continued success serving the Lord and His church.

- o Young adults again this year acted as Sunday ushers. Each Sunday a pair of ushers distributed the Sunday bulletins, passed the kiss of peace and took the offering. This has been a very successful project and was coordinated by Deacon Robert Boyajian in cooperation with the Parish Council.

- o The Library Committee achieved limited progress the year. Members, Zovig Devletian, Virginia Boyajian, Adrienne Riser, Pam Kitabjian and Der Paree met a few times to prepare a list of book acquisitions. Further progress needs to be made. Special thanks to Steve Barsamian for his active interest.
- o Again this year I brought my full participation to the Narbeth-Wynnewood Ministerium and attended the monthly meetings. On Sunday, January 19th, 1992, an interfaith worship for Christian Unity sponsored by Women Church United was held in our church. Close to two hundred persons from different denominations were in attendance. The meeting was followed by a reception, chaired by Rita Khachadourian.
- o Armenian clergy continued their monthly meetings, creating closer cooperation between respective parishes. They hope to sponsor an annual affair in support of Armenia.
- o The Inter-Communal Organization was reorganized and sponsored its first cultural program which was hosted by our church in October. The Vartanantz program will be held February 21st and the Martyrs' Commemoration Program will be held on April 24th.
- o The preparation of Mas has been a cooperative effort. Following many years of service, Margaret Ashkian resigned as head of the committee and Mary Gortian assumed the chairmanship. Other members are: Sirvart Arpajian, Dicranouhi Degirmenci. Asdghig Kazanjian also contributed when the need arose. Our sincere appreciation to all.
- o As was noted earlier, 12 weddings took place. Ten couples voluntarily participated in 5 pre-marital sessions. They were exposed to sessions on: marital expectations, communication, conflict resolution and traits of a healthy marriage; thus enhancing their marital life. We hope they will become useful members of our parish.
- o Our church secretary, Mrs. Carolyn Vail, has completed one year. She organized our church office and fulfilled the multifaceted duties of a secretary efficiently. We express our appreciation to her.

- o The Mer Doon, our official church publication, has been published regularly. It has served a useful purpose in informing our members of current events in our parish life. A very special thanks to Lisa Manookian for editing the Mer Doon and Carolyn for typing. She was assisted by a group of volunteers addressing and mailing.

**What will 1993 bring? Truly, only God knows. However, there are signs that this will be an exciting year filled with great possibilities. Let us consider a few:**

- o In March, we will have the ACYOA Jrs. retreat at Tel Hai Camp. In March, the acolytes will hold their own retreat at Camp Sankanac. It is hoped that these retreats will strengthen leadership qualities within our young people.
- o During the Lenten Season, we will sponsor a lecture series every Friday. The topics will center on the cultural and spiritual issues facing our community.

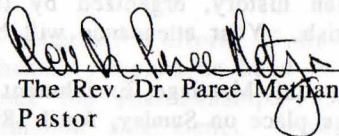

A unique one day symposium will be held on 10,000 years of Armenian history, organized by the Armenian Language Lab and our parish. Your attendance will be appreciated.

- o The Annual Marriage Enrichment Adventure for married couples will take place on Sunday, April 18th, from 3:00 p.m. to 8:00 p.m. at Sandy Cove Conference Center, in Northeast, MD. This will be a time for married couples to enhance their relationship skills by making "good marriages better."
- o In May, the third annual Men's Prayer breakfast will take place, co-sponsored by Martyrs' Congregational Church. The event will be hosted by our Men's Club with breakfast and a speaker.
- o Efforts have been and are continuing to be made to get acquainted with 30 families from Armenia who have settled in our area. They have a variety of needs. We hope progress can be made to integrate them into our parish community.

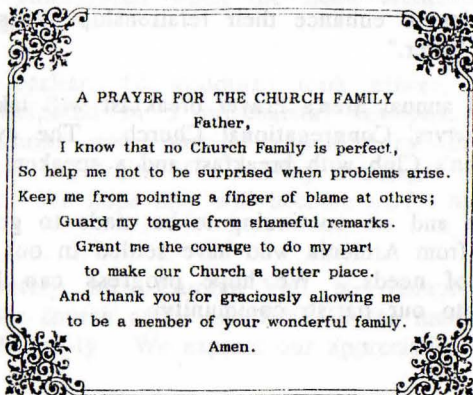

- o My ministry within the church in 1993 will continue to be people/need oriented. I do care about you and I know that you care about the church. It is my hope that together we can serve the Lord in new and creative ways. With this in mind, there is no question in my mind that 1993 will be another successful year, with everyone being part of that success.
- o There are too many people to thank. Lisa Manookian, Chairperson of the Parish Council for her persistent leadership, the Executive Committee and the Parish Council for their loyalty. Others are, the Diocesan Delegates, the executives of each organization; our choir members; the Sunday School teaching staff; etc. Without your continued support, the clergy and elected leaders can do nothing. In fact, without you, there is no church. It is the members that make the church what it is.

"In everything you do, put God first  
and He will direct you  
and crown your efforts with success."  
(Proverbs 3:6)

Yours in Christ's Service,

  
The Rev. Dr. Parea Meljan  
Pastor

## REPORT OF THE PARISH COUNCIL

### Overview

Although 1922 brought many challenges to our parish, we can be proud of several accomplishments. Our parish is a very vibrant one and, as in years past, our organizations have continually provided our community with a variety of programs and activities and this past year was no exception. If you glance at the Calendar of Events for this past year, you can see the amount of activity.

Our "Gourmet Food to Go" project has been a great success. As one of our newest endeavors, it shows great promise. While there is much support for the project, there has been little support in assisting with the preparations. This project can not only provide a significant source of income for the church it can also serve to bring our parishioners together to learn from each other and enjoy one another's company.

As we do a pretty good job of summarizing our activities through the Mer Doon, I won't elaborate on any of them. They were all successes.

Two areas which the Parish Council feels are very important for our church to focus on are (1) humanitarian efforts for not only our brethren in Armenia but also our brethren at home; and (2) the grounds and maintenance upkeep of our church. They are discussed below:

### Humanitarian Efforts

It is always heartwarming to see people reaching out to others in need. This year, we witnessed an increase in the willingness of parishioners to assist those less fortunate than ourselves:

- Over \$300.00 was collected by our parishioners to assist the victims of Hurricane Andrew. These funds were turned over to the Diocese for distribution to the proper channels for rehabilitation efforts and were added to the monies donated by other churches in our Diocese.
- Through the "Offering Box" in the Narthex \$225.00 was collected for the Women's Guild Stepanavan Project which was to prepare 3,000 school bags for the Children of Stepanavan, Armenia for this school year.

- We also had the pleasure of welcoming three guests from Georgia, Karabagh and Armenia. Anahid Bagdasarian and her mother came from Tiflis, Georgia so Anahid could have surgery to enable her to walk. Little Hirayr Konkorian came from Karabagh and had surgery to enable him to hear better. And Araxia Mirzoyan, who is still with us, came from Armenia through Project Hope under a Fellowship created by Children's Hospital of Philadelphia.

During the past year we have wholeheartedly given of ourselves when others have been in need and this is something we should all be proud of.

### **Grounds & Maintenance**

The maintenance of our church grounds is a major concern of the Parish Council. The complex is very old and, thus, repairs are constantly needed. Unfortunately, the yearly income budgeted for its upkeep is nowhere near the necessary income needed to properly maintain it.

This past Spring, it became a reality that the time had come to remove the asbestos located in the Sunday School area. This was necessary in order to bring the church in compliance with state and federal laws concerning asbestos abatement. Furthermore, with the installation of the air conditioning in the church sanctuary, it became obvious that the asbestos had to be removed before any work could begin. Once the asbestos removal was completed, the installation of the air conditioning in our church sanctuary was underway and was completed in August.

One of the newer projects instituted by the Parish Council was the creation of a Clean-up Day in the Spring. While this was initiated due to the ever-increasing need of maintaining our church grounds, it served to bring people together in service to their church on a different level. Over 17 individuals participated and, as a result, two days have been set aside in 1993 to continue the tradition.

The Parish Council is also looking into the feasibility of hiring an individual to serve as our church custodian as it has become increasingly difficult for the Parish Council to continue with the hands-on upkeep of the grounds and complex as it has been in recent years.

The Parish Council extends its appreciation to Simon Ashekian who has served as our maintenance coordinator during the past two years.

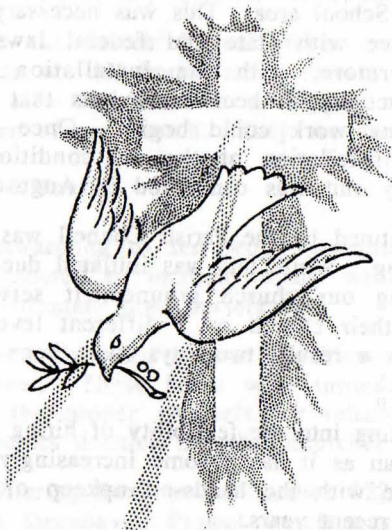

Although Simon resigned in the summer, he has been helping us on occasion when the need has arisen.

Appreciation is also extended to Daron Mazmanian for taking charge in overseeing the maintenance of our church as well as to Noubar Karagulian and George Mangigian for their assistance.

The Committee is in need of individuals to assist from time to time and will welcome any assistance our parishioners can provide.

Respectfully submitted,

## SUMMARY OF 90TH ANNUAL DIOCESAN ASSEMBLY

St. David Armenian Church

Boca Raton, Florida

April 30 - May 3, 1992

Over 180 delegates plus Parish Council Chairmen representing 50 organized and mission parishes took part in this year's Assembly, which gathered under the Presidency of His Grace, The Rt. Rev. Bishop Khajag Barsamian. Two distinguished guests were also present during these deliberations: His Eminence Archbishop Housig Santourian, the Grand Sacristan of the Cathedral of Holy Etchmiadzin and His Grace, Bishop Kissag Mouradian, Prelate of the Diocese of the Armenian Church of Argentina.

The sanctuary of St. David Armenian Church served as the forum for the Assembly sessions and accommodations were provided by the Marriott Crocker Center Hotel. Along with reports from various church organizations, the general discussion of the sessions focused upon the need to look forward and secure the future well-being and prosperity of the Diocese. Chief among these was the subject of church unity, the Church's mission to its young people, and the need to build a stable financial foundation for the Diocese.

But above all, the subject of "youth" and their involvement or lack of involvement in the Armenian Church took center stage. An unprecedented full session was devoted to this one subject. The session began with an address by the Rev. Fr. Mardiros Chevian, the Director of the Diocese's Department of Youth Ministry, followed by two short skits dramatizing typical young adult experiences in parish life. The skits poked good-natured fun at some of the circumstances which can often drive young adults from their parishes - but the humor also served to illustrate issues which arose in the subsequent panel discussions.

Three separate panels were presented, each presenting a different viewpoint on the topic of "youth." The first panel, "Young Adult Perspectives," centered on the experiences and concerns of many young adults who are actively involved in the church today.

The second panel focused on "Parents' Views" and the final panel focused on "Positive Directions."

Despite the diversity of the speakers, several themes emerged as common threads: the importance of personal outreach to youth; the need to integrate young people into the total life of the parish; the crucial effect of role models and adult examples in the formation of young minds; and the primacy of the Church's religious mission to the youth, who live and learn in a society that is aggressively secular. The presentations were well received by the delegates, and the entire session was hailed as a thoughtful springboard to serious action at the Diocesan, parish and family levels.

During the course of the Assembly, reports were also given from the Diocesan Council, the Armenian Church Endowment Fund, the St. Nersess Seminary, the Diocesan Unity Committee, and the Diocesan Fund for Armenia's Recovery.

Some of the more important proposals considered along with their dispositions were:

- That the Diocesan Council or its designee analyze the growth or decrease in church membership of the Diocese in recent years and report its findings along with a plan as to how growth may be encouraged, to the 91st Diocesan Assembly in 1993.

Disposition: Passed.

- That the Primate and Diocesan Council place as the highest priority of our Diocese the strengthening of the Diocesan parishes by devoting more of the Diocese's personnel and resources immediately towards projects that will strengthen the parishes, such as: attracting youth, young adults and young professionals; helping parish lay leaders in the various organizations to more effectively administer to the parishes; educating, informing and inspiring parishioners about their Christian faith and Armenian culture; and promoting the quality of relationships among parishioners.

Disposition: Passed.

### Activities:

The Choir participates every Sunday in singing the Morning Service and Divine Liturgy, and throughout the year takes part in special services for Holy Week, Easter Eve and Christmas Eve Services (both on December 24 and January 5). Also, each September a special Ecumenical Service is held at the close of the annual church picnic with Clergy from neighboring churches participating. This year George Mangigian organized and trained a Jr. Choir, which lasted approximately six weeks. Due to lack of parental cooperation - the project was dropped. The 46th Annual Assembly of the Assoc. of Armenian Church Choirs was hosted by Holy Trinity Church, Cambridge, MA, and our Choir was represented by Delegates, George Mangigian, Vicky Mirzayan and Alice Torossian.

### Proposed Activites for 1993:

Choir activities will remain basically the same as noted above. Some thought is being given to the annual cultural program, which in the past, was held during the month of October. For the past two years this program was curtailed due to other conflicting organization activities.

All work on air conditioning has been completed and the Contractor has been paid.

Fund Raising has been started for the \$60,000.00 cost of this project. As of January 27, 1993, \$28,300.00 has been raised.

A \$50,000.00 loan was obtained from the Memorial Hall Youth Fund at a rate that was higher than what the Fund was getting back for their money. That same rate was lower than what the Air Conditioning Committee could get on a bank loan. The Church benefited on both ends.
