

## LADIES AID SOCIETY

The Ladies Aid had 38 paid members in 1967 with an average of 20 members participating in the monthly dinner meetings.

Besides our regular monthly luncheon meetings, we sponsored a Bingo in April Tupperwear Party in May, a Picnic in July, plus numerous Dinners.

The Ladies Aid contributed Religious pictures that are hung in the Sunday School Building and we also bought draperies for the Sunday School. We purchased 50 Divine Liturgy Books, which are used in Church, visited the sick, made the "Mass" prepared and donated a tray of Paklava and Bourma for the St. Mary's Flea Market, donated money to Christmas Mother, sent Serpazan a Birthday Card, which was gratefully acknowledge. We cooked and baked deligently for the State Fair. We set up \$100.00 Fund to be given to a child, if needed to Finance a 2 weeks of Religious Study at the St. Nerses School.

On September 19th we all boarded a bus and headed for Washington on a sightseeing tour, and had a delicious Luncheon which was prepared for us by the Ladies Aid of St. Mary. It was agreed the trip was one of the most enjoyable days we had experienced.

The Ladies Aid ahd a most rewarding year, spirtually, financially and socially.
