The Rev. Fr. Arsen Barsamian
St. James Armenian Church
834 Pepper Ave.
Richmond, VA 23229

Dear Der Arsen:

We have obtained a copy of the cassette tape of the show on which the Primate discussed the relic donated by Mrs. Virginia Dervishian Smith, from NBC-TV.

It is a 3/4" video cassette, so the proper machinery must be obtained to show the tape upon. For private use by the parish, there are no problems as far as video rights.

Please let me know if and when you would like to air the show, and I will be happy to send the cassette to Richmond. Keep in mind that our segment is only one third of the 1/2 hour program, with two other segments on genetic science and pre-marital counseling.

Thank you for your materials on the Sahan Arzruni concert. It looks as if it went very well there, and we will most probably include it in the March issue of BEMA.

Yours,

Michael Zeytoonian
Director of Public Relations
