St. James Armenian Church
834 Pepper Ave.

Dear Father Arsen:

I am unable to ask Serpazan to approve your Annual reports, as the financial sections are incomplete. If you will kindly check the columns you will notice that no totals are given, there are no final balances, and a number of items have been left open.

Please take the necessary steps to send me a completed report so that the approval will not be delayed any further.

If you have any question, let me know.

Very truly yours,

Michael M. Kermian
Director
