Your Eminence:

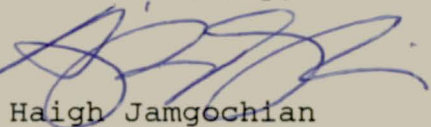

It was a pleasure and an honor to meet with you on your visit to St. James Armenian Church in Richmond.

Due to your intervention, a new committee is being formed at St. James to promote a building fund for the memorial. It will be interesting to see just how far along we get this time in the fruition of this endeavor.

Enclosed herewith, for your files, is a sketch of the cross, and for your information, other examples of work I have executed. It would be my pleasure, if you so desire, to come to New York to discuss the erection of this structure.

Your ideas and comments would be greatly appreciated.

Most sincerely,

Haigh Jamgochian
