

Parish Council Report
1995
Presented at 1996 Parish Annual Assembly

1995 was an interesting year. One with ups and downs. Fortunately we completed the year on an upward trend. The following is a list of changes for the past twelve months:

1. Ginna Minasian Dalton was hired as church secretary to set-up our office and to create a new filing system. Her work as an assistant to the pastor as well as her taking charge of the Sevan have been a tremendous help. We are indeed most fortunate to have her on our staff.

2. Installation of new carpeting in Sunday School building and the Social Hall. (This was made possible by many contributions).

3. New furnishings for pastor's office.

4. Rewiring of pastor's office and stereo sound system. (Work done by Alfred Shahmoradian).

6. Installed additional exterior lighting around parking lot and removal of tree. (Contributions made by John Kricorian and Mr. ~~Dan~~ Mrs. Jack Tootelian).

and

7. Repairs and replacement of broken and chipped moldings of walls in both Social Halls and repairing exterior doors. (Contribution made by Mr. and Mrs. Jack Tootelian).

8. Installed new water fountain in Social hall. (Contributions made by Mr. and Mrs. Charles Dedeian and Mr. and Mrs. Jack Tootelian).

9. New books purchased for Sunday School. (Contributions made by Ann Markarian).

I would like to single out the following persons for their generous contributions to the church:

-Jack and Elizabeth Tootelian, for their financial support throughout the year.

-Isabel Vranian, for her donation of stock.

-Gerry Sharigian, for his help on the mailings.

-Bedros Bandazian, for efforts with the endowment fund.

-Ginna Minasian Dalton, for her second year of spearheading Bible Studies.

-Rob Norris, for his work as treasurer.

-Lilly Thomas, for many years of devotion to the Ladies Guild.

-Melanie Kerneklian, for a super job as superintendent of Sunday School.

-Rose Soghoian, for her help with the Seniors.

-Henry Margarian, for his unfailing devotion in the care of our church.

-Michael Amirkanian, for leading the ACYOA.

We have had 14 regular meetings and numerous committee meetings during the year. The efforts of all the Parish Council members made my job and easy one. I thank them so very much for their help throughout the year...and especially Father Nareg, for without whose guidance none of this would be possible. I wish all continued success for the future.
