## REFLECTION OF 1970

In our last year's report, we finished by asking for God's guidance for the year 1970. And truly God helped us and the year 1970 became very fruitful for our Church and our community like we never had before.

### SOORP BADARAK & SERMON

Almost every Sunday and on other feast days, we celebrated Divine Liturgy. During the Lenten Season, we had Evening Services and Holy Week Services. For the first time in our Church on New Year's morning, we had Holy Badarak.

We participated in the Inter-Clergy World Prayer Week and Good Friday, we preached at St. Luke's and the First Congregational Church.

During this year, our Church was resplendent and radiant with people.

Again, we had an average of 123 adults and children attending Church each Sunday. We have as Church members 156 persons, 28 widows, one widower, 20 retired couples, seven (retired) single people, 19 employed single, 28 employed couples; 52.7% non-workers, 47.3% workers. We were also happy to welcome 10 new members this past year.

Every Sunday and on every occasion, we preached in Armenian and English. We performed Soorp Badarak out of town on several occasions, such as in Europe, during our vacation, East St. Louis and various other places.

### SACRAMENTS

During 1970, we performed funeral services for six of our parishioners; Services were also performed in Racine and in Europe. We gave spiritual messages to the bereaved families. We performed 98 Requiem Services. We performed five Baptismal Services, two marriages and one marriage in the Chicago Church and one engagement service.

### VISITS

We visited the majority of our parishioners' homes during the entire year. We visited 38 sick people at various hospitals. On 17 occasions we visited the ill at their homes to give comfort and administer Holy Communion to them. We blessed the homes of families who called us.

We would like to repeat once more -- If you have someone who is ill at home, please call us.

## MEETINGS

We presided at all of the Church's organizational meetings. A total of 160 meetings were held. We brought to these meetings constructive ideas for the Church, community and individuals as well.

## INSIDE CHURCH ACTIVITIES

We gave our active participation with ideas and words to all the Church organizations' activities that you will find listed on the following pages of this book.

## PARISH COUNCIL

It was a great pleasure for us to work with our Parish Council members. They were very comprehensive and we worked very harmoniously together for the benefit of both our Church and community.

We appreciate especially, the Chairman, Arthur Barsamian's devoted leadership. We would like to express our special congratulations to Russell Kaishian, who, with his group, wrote a new page in Madagh history, and to the other members of the Parish Council, who were always ready to do any work. It is hard for us to accept the fact that the majority of them are going out of office today. It was a pleasure to work with them. We hope that the accomplishments of the newcomers will surpass those of this outgoing group.

## LADIES AID

Again, this year, they worked very hard for their Church. The Chairlady, Mrs. Arous Kaloustian and her energetic group did an excellent job helping their church.

## ACYOA

Our boys and girls, with their enthusiasm, are everywhere in the Church activities, under the advisory of the indefatigable Rose Esaian. Every evening during Mission Week, under our leadership, a rally and discussion period was held with fine participation by all.

## SUNDAY SCHOOL

Sunday School is a beehive of children learning together the meaning of brotherly love. This place is very important and it should be the center of all our thoughts. Rose Esaian, as superintendent and her staff, Esahag Haidarian, George Kaprelian, Margaret Kademian, Terry Hadjinian and Helen Barsamian are trying to do their best for our children.

## ARMENIAN SCHOOL

Yevkin Karian very faithfully is continuing her teaching of our children every Saturday. In her absence, Rose Tanelian and Mary Boyajian taught the children during the summer. We personally teach the adult class each Tuesday.

## CHOIR & ALTAR SERVERS

Choir members attend every Sunday very faithfully and sing the Holy Badarak, having as their Choirmaster, Hampar Kaishian and Organist, Mary Ambrookian.

Our Choir is also continuing, under the direction of Ruth Kashishian, their Armenian folk song programs. They are well known in the Midwest area and this coming Wednesday, they will be heard on a Chicago radio station.

On the occasion of the 46th Anniversary of our Church, our Primate ordained Parsegh Vahradian as Deacon at our recommendation. We are happy to see him in this position and we again congratulate him. We appreciate deeply that during our vacation, he kept the Church open by performing Jashou Service every Sunday.

The Altar boys, Ronald, Jeffrey, Michael and Greg were elevated to the level of Clerk on the same day. We hope that next time Arthur and Bruce will be present to receive this honor.

## SEXTON

The Parish Council accorded us to reward Kerovpe Balian with a cross in the near future for his many years of dedicated service to our Church.

## CHURCH BULLETIN

We published our weekly bulletins and also special bulletins to show our members their financial standing. This excellent work was done by Kathy Kaishian and Agnes Barsamian.

## OFFICE WORK

The office work was well done and when help was needed, the work was completed on time. Kathy Kaishian, Agnes Barsamian and Rose Bendian did an excellent job. All the girls that assisted did a fine job, however, this is not a satisfactory arrangement. Our Church office should have an official secretary. On this occasion, we would like to say we appreciate Grace Hadjinian's efforts as Parish Council secretary in helping to keep records of their meetings for these past two years.

We also appreciate the time and effort that Armand Bendian put into preparing the new system of keeping the financial records of the membership.

## CEMETERY COMMITTEE

Mihran Hayalian, Kerovpe Balian and Nerses Nersesian are working devotedly in silence and without any difficulties. We appreciate especially Nerses' work in compiling local cemetery bylaws. We hope that at our next General Membership meeting, they will be ready for approval.

## HI-KAMP

We spent one full and productive week in August as advisor and teacher at Hi-Kamp. The children's eagerness in work as well as play was rewarding.

## DONATION

Our sincere thanks to the UNITED ASSOCIATION OF TOMARZA for their kindness and generosity in donating to our church a new organ, piano, and cash donation of \$1,000.00. God bless them for their thoughtfulness.

## VISITING CLERGY

During 1970, we had the following visitors:

*His Grace Archbishop Torkom Manoussian, Primate.*  
His Grace Archbishop Shnork Kaloustian, Patriarch of Istanbul  
Very Rev. Varoujan Kabarajian, Evanston

Rev. Patee Metdjian, West Allis  
Rev. Sempad Der Mekhsian, Racine

Deacon Joseph Tugurian

*Rev. Guregh Kalafayan.*

We extend our boundless gratitude and appreciation to our Parish Council Chairman, Arthur Barsamian, and gratefully acknowledge the services he fulfilled unselfishly for the betterment of our church.

We express our heartfelt thanks and deep appreciation to all our Church organizations, standing committees and all parishioners for their dedicated cooperation which led to the accomplishments of our activities. These all undoubtedly helped build a stronger Church community. The church is you, the people, everything here belongs to you and the generations that follow and perpetuate the faith.

Our prayers and blessings are with all of them for their continuous dedication and their well-being.

As we embark into another year, may God's blessings and guidance be with you always.

VERY REVEREND VAZKEN KESHISHIAN  
RECTOR

## THE 1970 PARISH COUNCIL'S REPORT

The responsibilities of the Parish Council of Holy Resurrection Armenian Church is to guide the parish in its spiritual, educational, and financial endeavors in cooperation with the parish priest and under his leadership. The Council strives to set a good example to the rest of the congregation by taking a personal interest in all activities of the parish.

This report is to let you know how this year's group of elected trustees met and kept that responsibility. The report is not an accounting of the many scheduled events and visitations that took place during the year 1970. A calendar of events is published elsewhere in this book, and the success or failure of the function can also be determined by looking at the report by the Treasurer. Therefore, this report will not be redundant.

The General Assembly meeting held Sunday, January 18, 1970 elected a group of Parish Council members to join hands with the 1969 elected members who were finishing out the second half of their term of office. These combined elected officials formed the Parish Council membership for 1970.

A great deal of responsibility is placed on the shoulders of these elected members. That responsibility lies far beyond just coming to church on Sunday, counting the offering and seeing to it that we make a profit at the end of the year. Making a profit is easy - we simply collect the money and spend as little as possible. But we've got to go beyond that - this church has got to be more than just a place to come and pray, or simply to pay your dues. The church is also the home of our Armenian community and of our parishioners.

So it behooves the General Assembly (you people) to elect members to the council who are adaptable, conscientious, concerned, dedicated, and above all, without prejudice or animosity toward any individual or group. In that regard I'm afraid that you have let yourselves down all too many times in the past. Individuals have been elected to this high office to run the affairs of your church who have very strong personal feelings, and will not compromise on a situation. You elect people who can not or will not attend a meeting. These same people do not come to church on Sundays - and when they do come, they do not attend as a trustee, but as a regular parishioner. You elect people who accept jobs but will not do them. Consequently, the burden falls on the few hard workers who then must work doubly hard for their unconcerned partners.

Maintaining this church is a difficult task - keeping faucets from dripping, shoveling snow, supplying heat, providing screens for windows, sweeping floors, repairing the roof, carrying out trash, and changing lightbulbs are only a few of the hundreds of things that have to be done. The Council members you elected by and large fulfilled their responsibilities, and many more you will never know about, without asking for any recognition.

However, there are a few amongst us who are always conveniently absent, dressed too clean to work, or have to go home because they are expecting company. I would like, at this time to give special credit to Mr. Sam Hadjinian, who willingly and without being asked treats this building and loves it like he does his own home. He is always willing to help other organizations when they need his help. I'm sure that needs no elaboration - for you have all benefited by his help. Grace Hadjinian is also in line for a great deal of credit for her dedication and her ability as a secretary. Armand Bendian for the many and long devoted hours; Kappy Kaprelian for his consistency and the effort and time he put in administering the books of the Church; Hoyle Green and Tony Cifaldi, who attend church and our various functions, and in spite of the language barrier patiently watch and listen and enjoy comradeship and fellowship with you; Russell Kaishian who did such a fine job on our Madagh; Esahag Haidarian, your Vice-Chairman, who also doubles as a Sunday School teacher; our elder statesman, Mihran Hayalian, who also heads the Cemetery Committee, cuts grass, cleans up or does whatever is asked of him. Here also I gratefully acknowledge the generous donation to our church by the Tomazar Association.

This group of Trustees you should be exceptionally proud of, for among the accomplishments they can boast of are paying off the furnace bill, co-ordinating and working at the most successful Madagh in the history of this church, consolidating the various and sundry accounts into one general grouping, purchasing a much needed movie projector, obtaining a slide projector, paying our Diocesan dues, and currently making plans for remodeling the basement, office and kitchen areas. We also have a very fine financial outlook for 1971.

The parish house tenants are very happy and are enjoying the privilege of living in our home. In fact, they have requested an extension of their lease beyond the one year already granted them.

Our Assistant Treasurer, Armand Bendian, is devising a simple and yet efficient system for pledge and donation records. A new bookkeeping system is underway for next year, being prepared by Grace Hadjinian.

My congratulations go to these trustees whom I've had the pleasure of working with for two years. Any success we have enjoyed is due mainly to the effort and time these fine people have devoted to the Church. They worked hard, and they took pleasure in serving you. Having a good Parish Council is important, but what is equally important is the help and devotion of all our parish members, but not just financial support. Little things like straightening chairs, emptying ash trays, picking up coat hangers, cutting grass, shoveling snow all help a lot. This is your Church, your home - it does not belong to just the Parish Council. Please treat it as you would your own home. I'm sure then that it will be a lot easier to get good trustees, because they will know they are not just being asked to be a custodian.

In parting, I would also like to thank the Ladies Aid for their long and unselfish devotion to a task only they can handle, to the Choir, who sound better every Sunday, to the ACYOA, to the Sunday School, the Bulletin Staff, the Cemetery Committee and the Education Committee, who have all made this job a very easy one. And last, but certainly not least, I would like to thank our Hayr Soorp, whose guidance and foresight helped this Council accomplish the goals we had set. The strength and leadership he provided all the organizations this past year has made this whole effort a success monetarily as well as spiritually. God bless you all for your time and devotion to your duty. You have set a fine example for our parishioners to follow.

At the same time, the Educational Committee with its chairman, Trudy Kaprelian, Elsie Cifaldi and Rose Tanelian collected and presented a very good Armenian Cultural display. Comments:

Our Ladies Aid has a membership of 62 members. Our duties for our church are: To regularly clean the church. Keep the Choir robes and the Altar Cloths cleaned. And to clean the Karezman. To keep the kitchen, water fountain and toliet supplies in stock. We assist the Trustees at all functions. We participate in the "World Day of Prayer". This year we purchased new Priest's Vestments and a new Refrigerator. We support the Church Bulletin by giving them \$50.00 this year. This year we donated \$25.00 for the Patriarch's Mission. In total, this year, we contributed more to our church than was required of us. We have made recommendations in our minutes to the next year's Ladies Aid, in all areas, not only in the kitchen.

We would like to thank our President, Hayr Soorp, for attending all of our meetings. For giving of his time and assistance to all of our programs. With his encouragement and guidance we grew and prospered.

Thank you to the Trustees and the Madagh Committee for their cooperation throughout the year.

Thank you to our Chairman, Mrs. Arousiag Kaloustian and her helpers, Mrs. Biazar Kachigian and Anna Balian for working so devotedly and so hard on all of our activities, large and small.

Thank you to our Vice-Chairman, Mary Boyajian for all her assistance and for so tirelessly running all of our errands.

We thank our Sunshine Lady, Namzar Kaprelian for sending a little joy to our members with cards. She sent: 21 "Get Well", 1 "Wedding", 1 "Engagement", 3 "Sympathy", 2 "Thank You" and 1 "Baby" card. She did an excellent job with the publicity for all our activities.

Thank you to our Religious-Education Chairman, Trudy Kaprelian and her assistants, Elsie Cifaldi and Rose Tanelian for planning interesting and informative programs for us. They did an excellent job of overseeing the children's Armenian School.

We thank Yevkin Karian for her dedication in teaching our children in Armenian School. We also thank our part time teachers, Mary Boyajian and Rose Tanelian. We are grateful to them all.

We thank our Treasurer, Rose Hadjinian for the fine job she did in keeping our books in order and maintaining our membership list.

We thank Marie Sarian for volunteering to accept the responsibility of the Altar Flowers again this year.

We thank our Social Chairman, Madeleine Tchejayan for doing such a good job on our social events. Rose Esaian and Kay Kademian were her assistants.

We thank all of you Ladies Aid members for working with us for your church. You came to help when you were called, for this we thank you, but in the future we would like to see more of you volunteer your services. All of you know that when there are activities planned, there is work to be done and that you are welcome to come and help. Some of you have the idea that when you are on the Executive Committee, you do all the work. This is not so and those of you who worked for our Bake Sale know how enjoyable it is to work with many hands for your church.

We, of the Executive Committee this year worked very hard, but we had a good group that worked harmoniously together. We now have the satisfaction that we had a very good year. We wish the future Executive Committees the same harmony and prosperity.

1970 ACTIVITIES

**JANUARY:** This year it was decided that our Christmas program be held on Armenian Christmas. Our children all know about December 25th and Santa, so we thought we might instill in our children our true meaning of Armenian Christmas. This was a most successful program with respect to meaning, custom and tradition. Santa appeared with religious Christmas gifts for all our children.

**FEBRUARY:** Lenten boxes were passed out to the children. We asked the children to fill these boxes to their own capabilities; and they did. Religious pictures for our Church school hall will be purchased, in the future, with these funds.

**MARCH:** Our Sunday School class was dismissed five minutes apart and had their class pictures taken. (These pictures were sold to the children for remembrance). After the pictures were completed, breakfast was served . . . and enjoyed!

Before dismissal, Sunday School pins were presented to all of the ten year old children and new teachers.

**APRIL:** Holy Resurrection Armenian Church Sunday School was host to the Midwest Regional Conference for Sunday School Teachers and Superintendents on April 11, 1970.

Folders were ordered and prepared for all guests attending the conference. Lunch was also prepared and served.

**MAY:** Miss Terry Hadjinian will become a new Sunday School teacher replacing Mrs. Mary Hayalian who resigned.

Sunday School teachers ordered carnations for the mothers attending Church on Mothers Day. These carnations were made up into corsages and were presented to mothers and grandmothers attending Church by four of our Church school children.

**JUNE:** Our Sunday School graduation and awards program was held after Church Services on June 14th. Two of our students received special awards for having eight years of perfect attendance, (Sandra Esaian and Jerr Dell Lewis). One year perfect attendance awards were given to ten children. Five students graduated. These children that have graduated will continue to attend Church as choir members and Altar boys. After the Services, a picnic was held for all students, parents and grandparents.

**JULY &  
AUGUST:** VACATION.

**SEPTEMBER:** Registration cards returned by parents shows that we have 33 registered students in Sunday School.

**OCTOBER:** - - - - -

**NOVEMBER:** Our annual Thanksgiving Dinner was held on the 22nd. Mothers of the Sunday School brought and prepared the dinner. ACYOA children set the tables and served.

**DECEMBER:** We are preparing our Christmas program which will be held on January 3, 1971.

SOUTH MILWAUKEE JUNIOR A.C.Y.O.A.

A.C.Y.O.A. has had an increase in membership from nine to seventeen members this year. We constantly strive to increase membership and strengthen our organization by doing so. With the increase in membership, we still maintain excellent attendance records.

This year our A.C.Y.O.A. has presented two sets of cultural programs. One program dealt with Armenian Culture and the other dealt with American Culture. One lecture on drugs drew excellent response not only from members, but from outsiders as well.

We have initiated programs with other ACYOA's, participating with Racine in a series of lectures and discussions during Mission Week, and sponsoring a hayride and Christmas party for Regional ACYOA's.

We have also gained a voice in Regional affairs with the election of one of our members as District Chairman, and have begun to get involved in Regional programs.

This year our Second Anniversary Dinner was organized as a reunion and featured guest speaker, Kaiser Boyajian, with a very interesting film of past ACYOA activities.

No matter what the project, members have always participated fully in all activities. Through this involvement, our members have grown more active in our Church and have become better Christians through their involvement.

Our President, Very Reverend Vazken Keshishian, has been most instrumental in the continued success and growth of our organization.

Special credit also belongs to Mrs. Rose Esaian, our advisor, for her encouragement and assistance in all our work.

This past year has been a very prosperous year for our Jr. ACYOA.

We hope that our organization will prosper and serve the Church even more in future years.

**HOLY RESURRECTION ARMENIAN CHURCH**  
**BULLETIN REPORT**  
 Dec. 1969 - Dec. 1970

The primary purpose of the Church Bulletin is to keep parishioners informed of scheduled church activities, meetings, socials, etc. This past year forty-four weekly Bulletins and several special occasion Bulletins were published. Two large Special Bulletins were compiled in February and June. These contained financial status reports, articles on church activities, feature articles and local history stories. The weekly Bulletins are distributed every Sunday in church, while the Special Bulletins are mailed to the members homes. The Church Bulletin subsists entirely on donations and therefore has no planned activities or fund raising projects.

**RECOMMENDATIONS:** It would be appreciated if an appointed officer of each organization would contact the Bulletin Staff with regard to meetings or social schedules. Individuals are also encouraged to submit news items about our parishioners.

## AUDITING COMMITTEE REPORT

Very Rev. Vazken Keshishian, President  
Holy Resurrection Armenian Apostolic Church  
909 Michigan Avenue  
South Milwaukee, Wisconsin

Dear Very Rev. Vazken Keshishian:

The auditing committee is submitting this letter as official notice in auditing all church treasury books for the period beginning January 1, 1970 through December 31, 1970.

### REMARKS AND RECOMMENDATIONS

A. We report that the accounts are in good order. The only problem being that accounts had their own methods and with changes of personel yearly there is, at times, changes in bookkeeping to each likes and discretions. We recommend a committee should be appointed to make a study and set up accounting procedures for each organization, and no treasurer should deviate without consulting this committee. We recommend Mrs. Grace Hadjinian to head this committee.

B. Annual meeting of the auditing and accounting committee with The Very Rev. Vazken Keshishian to implement any new procedures he wishes the committee to fullfill.

C. Annual meeting of all treasurers for each organization at the beginning of their new terms with the auditors and accounting committee so they may be taught the bookkeeping and auditing system.

D. Bookkeeping ledgers for Altar Flower donations and Church Bulletin be started.

E. Final audit be made in mid-January to allow the final bank statements and final billings be presented on or before December 31.

F. That an itemized list of official documents presently kept in the safety deposit box at the South Milwaukee Marine Bank be signed for and verified by each new Parish Council officer and also be audited.

G. Review last years recommendations which we felt have not been carried out.

AUDITING COMMITTEE REPORT

PAGE TWO

We would like to thank The Very Rev. Vazken Keshishian and also Mrs. Grace Hadjinian who were helpfull in guiding us in auditing the General Ledger books due to their professional book-keeping background.

We hope that we have fulfilled our duties as an audit committee to the best of our abilities.

Respectfully submitted,

John Tertadian

## HI-KAMP

We spent one full and productive week in August as advisor and teacher at Hi-Kamp. The children's eagerness in work as well as play was rewarding.

Our sincere thanks to the UNITED ASSOCIATION OF TOMARZA for their kindness and generosity in donating to our church a new organ, piano, and cash donation of \$1,000.00. God bless them for their thoughtfulness.
