Dear Parishioners:

On Sunday, February 21, 1988 at 12 Noon, we will hold our annual Parish Assembly in the church hall. The election of Parish Council members and Ladies' Aid officers will have a strong impact on the direction of our church.

This past year, we were heartened to have several new members join our parish. In the coming year, we hope not only to attract additional members but also to bring present members back into a more active involvement in the church. Our parish is small, but we have the resources and potential to do great things for the Lord in the Milwaukee area. We pray to God for the desire and drive to achieve them.

We look forward to seeing you Sunday as we make our plans for the future.

Sincerely yours,
Holy Resurrection Parish Council

Leif Peterson
Chairman
