

A letter from South Milwaukee parish signed by Deacon Serop Aljalian and Michael Hayalian, the Chairman, advising us of a parish assembly that took place and the motion that passed was being submitted for ratification.

The motion in substance restricted how funds could be withdrawn and who would be able to vote. The portion pertaining to the control of the funds is approved by the Diocesan Council but the method of the voting procedure cannot be approved and they should be referred to Article 17 of the Bylaws. They will be notified by the Diocese.
