Subject being the highway
rights. Land survey report

According to the report, land survey report
shows 5 parcels of land, some of
which are owned by the State, and some by
private individuals. The survey shows
the following parcels:

Parcel 1, 100 acres, owned by the State.
Parcel 2, 50 acres, owned by the State.
Parcel 3, 25 acres, owned by the State.
Parcel 4, 15 acres, owned by the State.
Parcel 5, 10 acres, owned by the State.
The survey also shows that the parcels are
contiguous and form a single tract.

The survey also shows that the parcels are
contiguous and form a single tract. The
survey was conducted by the State Surveyor
and is subject to the approval of the
Department of Public Safety.

It is recommended that the parcels be
conveyed to the State. The survey also
shows that the parcels are suitable for
highway construction.

Survey report filed
in the office of the Surveyor
