St. Mesrob Parish Pastor

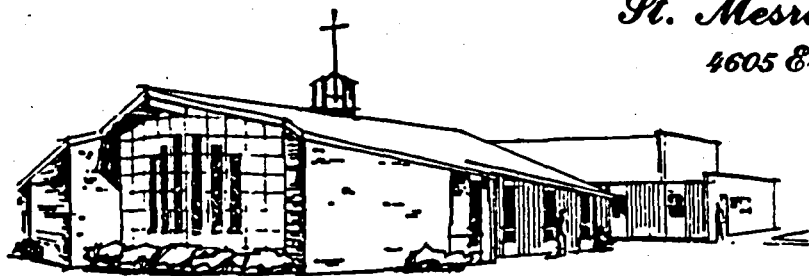

From: Tony Ferraro

This memo is to inform you that I am resigning from the St Mesrob parish council effective immediately. I am grateful and privileged that the members of this church entrusted me with carrying out the duties of trustee.

The reasons for my resignation are mainly due to the responsibilities of my job, which requires frequent travel and late hours. The other reasons are basically philosophical differences I have with the politicization of the Armenian Church, and use of the church and church funds for strictly political enterprises. In my opinion it is not humanism to support politicians. I believe humanitarians help people of all ethnic backgrounds. And most of all, we have a responsibility to our children to teach Christianity without the context of ethnic identification.
