

Dear Mary,

We will be honoring Perry Paragamian on Saturday, November 5, 1994. The flyer is attached. And, we would like it if the Arachnort could write a letter and/or send a plaque which would recognize his service.

Primarily, we are honoring him because of his leadership for the Armenian Fest which we have every year. The Armenian Fest is important because it showcases Armenian culture, history and food to the non-Armenian community, while at the same time it serves as the annual picnic for the parish. It also accounts for 20% of our church's income.

X Perry has been the chairman of this event for the past 18 years and was involved in it two years prior to that. He did an excellent job of leadership and delegating of work. However, he was also a working chairman. He and his wife, Pat, would spend numerous hours working along side of the many other hard working parishioners of St. Mesrob, baking and cooking.

In addition, he had also been a Parish Council member in the past.

Also, in the past, for years, he coached basketball teams at St. Mesrob. He has always been involved with the youth and is always concerned about their participation in the church.

He and his wife, Pat, attend one of the Bible Studies regularly. And, here, I would want an emphasis on his faith. They raised their four children Terrie, Christine, Lisa (married with children) and Brian (single) to be involved in church, to be prayerful, to attend church. Almost every Sunday, Perry and Pat are in a pew with at least one of their children and a couple of grandchildren.

Pat and Perry's work for the church is motivated by a love of God and a desire to serve Him.

I hope that this is sufficient.

Prayerfully,

Fr. Yeprem Kelegian
Pastor
