Dear Mrs. Megerian:

We were pleased to receive a copy of the news release you were kind enough to prepare. We will have it sent to various community papers.

We remember with joy the occasion we had to visit Atlanta and meet with so many fine people. It is our hope that we will have a similar opportunity again. It is also our hope that the community will plan and sponsor such activities that may create a useful and rewarding community character.

Prayerfully,

Archbishop Torkom Manoogian
Primate
