Dear Mr. Dorian:

On Wednesday, March 11, 1981, our Diocese will be celebrating its annual Women Saints Day.

Working together with our Women's Advisory Council, we initiated this special commemoration in 1975 in order to honor the many women saints of our Church. Each year, programs are organized on local and regional levels, prepared and attended by the women of the community. Such commemorations have generally consisted of a special church service in which women participate, as well as luncheon and appropriate program of music, poetry and informational talks. As this is a Diocesan-wide celebration, we hope very much to add your participation to that of all your sister church communities.

Please set this day aside in your parish as Women Saints Day. If you have further questions, as you very well may have, kindly be in touch with the Chairperson of the Primate's Advisory Council, Mrs. Lily Ajemian, 11 Bluefield Court, Hillsdale, New Jersey 07642. Tel. 201-666-4175.

We look forward to your participation. May God bless and be with your community and may His Spirit grace you with vision and strength in His service.

Prayerfully,

Archbishop Torkom Manoogian
Primate
