Archbishop Torkom Manoogian, Primate
Diocese of the Armenian Church of America
630 Second Avenue
New York, N. Y. 10016

Dear Archbishop Manoogian,

As you may know, since December, 1980 a new Armenian group was born with the help of Father Mesrob Mutafyan. The new group has been far more spirited and ambitious than any we have had in the past.

One result of the new groups energy was the formation of the Armenian Independent Cultural Association of Atlanta, Inc. In the new by-laws, it states that the board of directors (consisting of seven members) will last a term of one year. The first term has now come to a close and the General Assembly has elected a new board of directors, whose names and addresses are enclosed.

In order to disseminate information effectively, I would recommend that all future correspondence be mailed to Armen Karapetian, our new Chairman.

Your last visit to Atlanta left us with warm and fond memories. We all pray that you are well and will see you soon.

Sincerely yours,

cc: Armen Karapetian
