Dear Mr. Avakian Stoneson:

Thank you for your letter of November 30th. Our community is anxious to host His Eminence Archbishop Torkom Manoogian when he can schedule such a trip. Since it has been over a year now that we have hosted a church representative, we would like to inquire if we could contact a priest, with your recommendation, to visit us over a weekend.

Since our community is small (slowly growing), we do not plan more than one event per month usually as the turnout thins out if we do. Please refer to the enclosed proposed Calendar of Events.

The AICAA would take care of accommodations, and we need to know what other expenses we would need to cover. Please help us locate a priest, so that we may start planning for the visit. We need a good talking-to as in December '80.

Members of the community who will<sup>also</sup> be involved with the visit are: Seth Dorian (404) 393-3296-home, 396-9040-office, and Ara Dostourian (404) 942-9813-home, 834-1345-work.

Sincerely Yours,
