Armenian Film Presentation of February 23.

More than 85 persons, not counting the children and with a few coming from outside metropolitan Atlanta, were present for the Armenian film presentation of "FORTY DAYS OF MUSA DAGH". Considering the small size of the Armenian Community in Atlanta, such an attendance can only be qualified as "BIG SUCCESS". The film was excellent and many of those present expressed their wish to have an "Encore Presentation" of this film sometime in the not too distant future. Contributions donated to defray expenses have totalled \$86. Special thanks are due to our president Mr. Eddy DerAvakian who graciously made this film available for viewing, and to our super Mr. Armen Gheblikian who never hesitates when requested to arrange (free of charge) a meeting place for his fellow Armenians of Atlanta.
