You've heard the cliché "the same pople do all the work." It should not be that way. Support us.

FROM THE PRESIDENT (OF AICAA):

GENERAL ASSEMBLY MEETING - SUNDAY 19 FEBRUARY 1989.

DeKalb YWCA from 1:30 to 4:30. There will be important issues to discuss including upcoming elections, changes to the Bylaws, Building Fund, Martyrs Day Commemoration, earthquake relief, etc, etc. PLEASE ATTEND.

The last newsletter distributed just before Christmas contained an error. The last two paragraphs refer to a "clarification" of our bylaws in which the Board of Directos are "obligated to establish monitoring mechanisms..." in Article 6. The actual Bylaws not not reflect this. The Directors may recommend changes to the Bylaws (as may any paid member of the community. Further, a Bylaws Committee (voluntary) was appointed by the General Assembly at the August meeting. This committee will be called upon for a report on 19 Feb. Final changes to Bylaws will be approved by the General Assembly.

DUES WERE DUE on 01 January 1989. Please make checks as indicated on the attached form and send in. Better yet, give to the Treasurer, Alice Aznavourian at the meeting on 19n Feb.

ARMENIAN EARTHQUAKE RELIEF FUND - Please contribute expecially if you haven't already done so. Make checks payable to: Armenian Earthquake Relief and mail to AICAA, P.O. Box 7277, Atlanta GA 30357. Please be generous. We have sent \$30,000.00 to the Armenian Assembly to date. The money has been designated to purchase necessary supplies. The Megerians and the Ohanians were kind enough to offer their homes for the first two emergency meetings on this subject.

Many thanks to Rubina Ohanian for printing an Armenian Directory for Georgians. We are missing many phone numbers so we are expecting to make some corrections. If you have additions or corrections, please contact Adrina Richard at 255-3812.

Those interested in receiving the Governor's and Mayor's Proclamations of 06 January as the official day of mourning for the earthquake victings, please contact Juliette Stepanian 325-8789.

The 07 January Armenian Christmas gathering was a tremendous success. One of the reasons for this was the presence of our guest speaker Dr. Hank Siegelson, who arrived that evening with his slides. He was one the three doctors who traveled to Armenia to aid the earthquake victims. He spoke of his experiences, then showed slides of the terrible devistation. He spoke of the victims he treated and of the Armenian doctors and nurses he met.

We would like to thank some the members who donated the delicious and ample food for our beffet: Linda Najarian, Seran Megerian, Taline Major, Astra Willeke, Sona Maghdousian, Filyan Dido, Juliette Stepanian, Hasmik Nalband, Alice Aznavourian, and Ara Dostourian.
