Mr. Simeon Diboyan, Chairman
Armenian Church Council of Atlanta
6382 Jerri Court
Riverdale, Georgia 30296

Dear Mr. Diboyan:

We are writing to confirm basic governing tenets of the Atlanta Church Council as communicated to you by the Rev. Fr. Vertanes Kalayjian during his visit to your community on June 3-4, 1989.

Kindly note that the Council should:

1. Maintain a distinct and independent identity and operation, responsible and accountable only to Diocesan authority.
2. Keep all financial records under its jurisdiction.
3. Support, encourage and participate in Prelacy and Cultural Association activities but stop short of formally issuing joint invitations and other documents.

If you have any questions concerning these procedural guidelines, kindly contact our office for clarification.

God bless you and may His wisdom and love dwell abundantly in the Atlanta community and guide its growth and future.

Prayerfully,

Archbishop Torkom Manoogian
Primate
