ALABAMA'S ARMENIAN COMMUNITY

The Armenian families of Huntsville, Alabama have formed the Armenian Cultural Association of Huntsville. They spent the past summer planning activities such as group cooking and baking, having guest speakers about Armenia's culture and our heritage. Its great to see that our neighbors have looked to come together, and the AICAA in a goodwill spirit, will look to create future joint activities with this group.

### JULY PICNIC

Our summer picnic at Sarkis Agha-Sarkissian's house was a wonderful community get together. We'd like to give a big THANK YOU to Sarkis, who was kind enough to let us use his home, grilled up lots of delicious food, and took us out boating on Lake Lanier. We also couldn't forget the great side dishes the ladies graciously brought that we really enjoyed. We missed all of you who couldn't make it!!! The day was really a fun and special occasion for everyone.

### ARMENIANS GO UNDERGROUND

As many of you know, Underground Atlanta opened downtown last summer, and we'd like to send out CONGRATULATIONS to Ohannes Kabbedjian, who opened up another Hovan Gourmet store in the food court there. When you stop by for a look around, think of our President, Ara Keyfer. The architectural firm he works with designed it!!!
