Dear Mr. Diboyan:

The 89th Annual Diocesan Assembly will be hosted by St. Thomas Armenian Church, Highway 9W and E. Clinton, Tenafly, New Jersey 07670, from May 9 through May 11, 1991.

We feel it would be important for our mission parishes to have a representative at the Assembly to obtain a first hand knowledge on matters relating to the Diocesan activities. The Assembly will provide an opportunity for members of the Armenian Church from different areas to get acquainted and become familiar with parish life in other parts of the Diocese.

We would be pleased if a representative from your mission parish could attend the Assembly in Tenafly.

May God be with you in all your work.

With prayers,

Bishop Khajag Barsamian
Primate
