

REPORT OF THE MEMBERSHIP COMMITTEE

1. The Membership Committee consists of:

Colonel George Juskalian, Chairman  
Mrs. Clara Andonian  
Miss Alice Hintlian

2. During the second half of 1965, after the Membership Committee had been formed, 278 contacts were made by telephone and mail, mostly the latter, with members and prospective members. Members who had not been in church for some time were contacted to determine why they had been absent and to encourage them to attend more frequently. Contacts with non-members were made to welcome them to membership in our church.
3. While no definite statistics can be offered as to the effectiveness of the above effort, practically all of the 278 contacts were made before the annual bazaar held in late November 1965. It is felt that the contacts served to increase attendance at the bazaar.
4. As a result of the Membership Committee's suggestion, the church's mailing list was expanded by approximately an additional 200 names.
5. After all the 1966 annual pledge cards have been returned, it is the Committee's intention to bring the membership list up to date and to screen the current mailing list to insure that all names and addresses are correct.
