

HYE CLUBS' 1982 ANNUAL REPORT

In 1982 the Hye Club continued its activities but somewhat on a slower 'gear' - We had only a few organized activities. Even though we continued our work on personal bases, helping other organizations with their church activities. we had our annual new year's eve celebration in our new cultural hall, with approximately 325 of our community hyes joining and supporting us, we hope the support of the past will continue through 1983. We have twelve dance and open houses planned for 1983. A special thanks to Saro Abrahamian, Edick Pezishgian and Margie Satian for joining the executive committee and making 1982 a very successful year.

Thanks to all who have supported us.

Mike Tashjian
Chairman
