Please take the time to enter the proper numbers requested for each parish group/organization. If no such group exists at the present time please indicate by entering the word **NONE**.

The accuracy of your data entry will help preclude major mistakes in preparing a general overview of statistics in our parishes.

The numbers you enter now of course could increase or decrease by the time our statistical data is collated thus indicating some discrepancies. Such changes are normal and expected. However, the reporting, at the least, gives an indication of some activity within the parish groups reported.

Kindly complete the following page PARISH PROFILE even though the figures have already been entered previously in this report. This will be a helpful statistical overview of the number of active members in our parish groups.
