Your Eminence:

I am writing on behalf of the Ann Arbor Armenian Community and the Armenian Students Cultural Association (ASCA) of the University of Michigan. I, along with Kim Bardakian and Kristi Lutz, would like to extend a personal invitation to you to come to Ann Arbor the weekend of January 27-29, 1995.

Both Kim and Kristi have been in contact with Laura Gononian and have confirmed the date as tentatively open. As you may know, last year's "Hye Weekend" was attended by over 300 people. An even larger group of people are expected this year due to the success of last year's event. Furthermore, as our community becomes better established and more integrated, your involvement and attendance to this event and others like it helps to firmly cement our foundation.

Kim and Kristi have been preparing diligently for this event. I have attached a tentative schedule. If you have any general questions or questions regarding the schedule, please feel free to contact me.

Your Eminence, thank you for your time and consideration. I look forward to hearing from you soon.

Respectfully yours,

Steven Mangigian
